September 2007

NOTIFICATION

The Standards and Quality Control Authority is pleased to notify all concerned that the approved list of construction materials/products for sale and use in the country has now been revised and updated.

The following is the updated list which comes into immediate effect. All procuring agencies, contractors, suppliers and dealers are requested to note and comply.

Further, SQCA would like to remind that those manufacturing companies of the approved product brands who are yet to appoint their **authorized dealers in the Bhutanese market** and also who have not collected the “**Certificate of Approval**” are required to do so by **1st week of January 2008** failing which the approval of your product brands for use in Bhutan shall be cancelled.
